

PREVENTING ONLINE SEXUAL EXPLOITATION TOGETHER

Youth are at increased risk of online sexual exploitation

White Ribbon, a global expert in preventing gender-based violence, is offering free workshops for students, parents and educators in Toronto and GTA schools

School communities will learn about:

- Warning signs of sexual exploitation and sex trafficking
- Practicing online safety
- Preventing it from happening through learning about healthy relationships, consent and allyship
- Getting help

Safety will be ensured and support provided. Options for delivery formats are available to comply with COVID-19 regulations. Reach out to us.
