Greetings,

Re: National Boycott of Scandinavian Airlines (SAS)

This is to alert affiliates that after careful consideration and consultation with affiliates, the CLC is declaring a national boycott of SAS Group (Scandinavian Airlines System).

In Canada and around the world, the CLC condemns unacceptable corporate behaviour toward unions and working people, and will confront and resist intolerable management practices wherever it finds them.

Accordingly, the CLC requests all affiliates avoid booking travel through SAS and patronize alternative carriers until further notice. The CLC will be consulting closely with its affiliate, the Air Line Pilots Association (ALPA), regarding regular updates and next steps.

I thank you for your support in this important undertaking.

In solidarity,

Bea Bruske
President
