

# Violence and Harassment Against Educators 2022–2023 Survey

Violence and harassment in schools is a serious problem.

This research will survey education workers to:

- Examine prevalence and rates of violence & harassment
- Explore institutional and interpersonal responses
- Unpack the economic, personal, and social impacts
- Investigate the significance of the COVID-19 pandemic
- Analyze the ways gender, race, ethnicity, disability, and sexuality affect workers' experiences

**Take the online  
survey now!**

*Scan the QR code or visit our website  
below to learn more about our previous  
research and share your experiences.*

Your participation in this online survey is entirely anonymous and confidential.  
No personal information about who you are or the school(s) in which you work is collected.  
Ethics approval received from the University of Ottawa.

**Reports detailing the findings will be  
available online in the summer of 2024!**
