

TALK. INVITE. RALLY.

► TALKING TO FRIENDS AND FAMILY ABOUT THE OCTOBER 24 RALLIES FOR PUBLICLY FUNDED EDUCATION

Ontario's students deserve well-staffed, well-resourced schools with the supports they need to succeed.

WHY WE'RE RALLYING

OVERCROWDED AND INCREASINGLY COMPLEX CLASSROOMS

Large and complex classes make it harder for educators to support individual student needs.

NOT ENOUGH STAFF

Schools do not have enough staff and supports, while teachers and education workers are being asked to do more with less.

UNDER-RESOURCED SCHOOLS

Students are losing access to programs, services, supplies, and other supports they need to thrive.

TALK ABOUT IT

Keep it personal.

Talk about what you're seeing in schools and why it matters for students and their families.

Keep it simple.

This is about making sure every student has the staff, resources, and supports they need to succeed.
